

Instructions:

1. Go to www.blinfo.com
2. Click on Customer Login at the top of the page.
3. For those that already have a user id & password, just sign in. If you don't have an user id yet it's easy to create one! Just click the link to create a new account, fill in the information, then we will register you and send you an e-mail confirmation.
4. After you have signed in, click the Community button.

5. Scroll down the page until you find the Forum called Training. In this section you will find the Webinar Training Videos. The BLIS Purchasing video is in the Sub-Forum called BLIS-400 Training videos.
